Camden Division

**KINARD J. HENSON,**

**Defendant/Appellant,**

**vs**

**UNITED STATES OF AMERICA,**

**Plaintiff/Appellee.**

**Case No. 10-cr-510-2**

**NOTICE OF APPEAL**

**REQUEST FOR IFP STATUS**

**COMES NOW**, Kinard J. Henson, ("Movant" hereinafter), who respectfully brings his Notice of Appeal before this Honorable Court. He respectfully asks that the Court grant him IFP status and that the Court request that the Clerk forward his Record on Appeal.

The issues to be raised include whether the Court considered his handwritten brief, apparently ignored by the FPD who filed a brief and the formal motion dated in August in which he specifically sought compassionate release. The Objections filed by the AUSA ignore the rules for adjudicating such Motions. Ms. Shver relies on obsolete Guideline procedures and fails to recognize that the criteria for granting compassionate release are met by his Motion, irrespective of what the FPD sought. A big question is whether the "Lock 'em Up and Throw Away the key" mentality is appropriate given the current state

of the law and prison conditions. Other issues will be addressed in the Formal Opening Brief.
